

## Project: Support and Amplify Leaders Aged Under 30

- **RockCorps** are supporting **Deutsche Telekom** on an exciting new project, launching this Summer
- The aim is **celebrate, support and amplify** the work of volunteer leaders aged under 30 who are changing the world
- The platform will host profiles made by these leaders, outlining their project and **how the wider world can help them**
- This will be at the centre of Deutsche Telekom's marketing activities across **10 European countries**, with the first cohort of young leaders likely to be featured in the campaign

## What are we looking for?

- People <30 who are leading a **social change project**
- This could be **anything** from social media campaigns to social enterprises and volunteering projects
- Focused on **10 countries**: Austria, Croatia, Czechia, Germany, Hungary, Montenegro, North Macedonia, Poland, Romania, Slovakia

## How Do You Benefit?

- > Once in a lifetime chance to reach an audience of millions
- > Find eager new volunteers to turbocharge your project
- > Claim an NFT token that becomes increasingly valuable the more impact you have
- > Exclusive access to tech tools needed to boost your project
- > Chance to access unique funding and mentoring support
- > Join & help build a new community of fellow change makers
